Toilet Technologies

HygieneClean System

 **Double Vortex**
Maximum flushing performance, minimum water usage.

 **Power Rim**
Combined with our advanced flushing technology, this rim design eliminates hard-to-reach surfaces for an effective removal of dirt and stains.

 **Aqua Ceramic**
Super hydrophilic technology prevents dirt and dark ring stains from sticking to ceramic surface.

 **Hygiene Rim**
Truly rimless, cleaned in just one swipe.

 **ComfortClean**
Effectively kills E.coli bacteria according to tests done with IMSL.

Signature™

Heralding a new era

For minimalists who appreciate quality and design, the Signature™ Collection is crafted as an embodiment of American Standard™. The culmination of the Frame and Pillow forms the Superellipse, a geometric shape that is exclusive to this collection, revolving around the theme of soft minimalism that blends seamlessly into a modern bathroom architecture.

EasySet Exposed Shower System

EasySet Exposed Auto Temperature Mixers

Commonly known as a thermostatic mixer, the auto-temperature mixer maintains the correct hot and cold water balance based on the user's pre-set temperature. It quickly adjusts to any changes in water pressure or temperature by automatically balancing the hot and cold water ratio, ensuring your water temperature stays consistent throughout the entire shower. The EasySet Exposed also comes with CoolShield to prevent accidental scalding and provides additional storage space for your convenience.

ThermoComfort

Provides a constant and comfortable temperature.

Coolshield

Body of faucet stays cool and prevents scalding shocks.

ThermoSafe

Safety temperature control up to 49°C, with an auto shut-off function when cold water supply fails.

Push & Turn

Dial adjusts water volume easily and offers daily convenience at the push of a button.

DuraTone

Vibrant and long-lasting finish.
